

Matrix Self-Emptying Robot Vacuum

Model: RV2300S

Manufacturer: Shark

MSRP: \$429.00

- Matrix Clean - cleans in a precision grid leaving no spots missed
- Multi-surface brushroll pulls trapped debris, dust and pet hair
- Use for hardwood floors and carpets
- Self-Emptying - empties itself into bagless base after each clean
- Base holds up to 30 days of dirt and debris
- Returns to base to recharge and then pick up where it left off
- Precision Home Mapping uses 360-Degree LiDAR vision
- LiDAR builds detailed map for fully autonomous movement
- Detects and avoids objects in its path
- SharkClean app - clean on demand, set schedules and more
