- A long time ago at the Japanese Imperial court, the Chinese Emperor offered a panda bear
- This panda symbolized peace and required care
- In Takenoko it is up to you to cultivate land plots, irrigate and grow three kinds of bamboo
- But the hunger of panda wavers and you must adjust to his difficult appetite
- Whoever manages their land plots with the most bamboo wins the game
- For 2 to 4 players
- Recommended ages 8 years and up
- Includes Bamboo pieces, tokens, objective cards and much more
