

# Cleanburn Smokeless Fire Pit

**Model:** COH-800

**Manufacturer:** Cuisinart

**MSRP:** \$299.99

- Enjoy an outdoor fire pit but without the smoke
- Fueled by wood logs, cleanburn design increases airflow and burning process
- Cleanburn design supports low smoke but with high heat
- Bottom vents pull oxygen in to feed flames from below
- Hot air travels through holes at the top of the unit while burning off debris or smoke
- Integrated handle at lock-in base
- Ash collects into tray making cleanup a breeze
- Durable stainless steel interior and base are rust resistant
- Easy assembly - no tools required
- Dimensions: 25" x 25" x 17"
