

12" Blue Carbon Steel Wok

Model: COOK-12-WOK-CN

Manufacturer: Made In

MSRP: \$139.00

- Experience Carbon Steel performance the the heat retention of cast iron
- This carbon steel wok is half the weight of cast iron but every bit as durable
- Conical shape supports maximum heat contact to caramelize and sear
- Responds quicker than cast iron and rugged enough for the grill or open flame
- Flat bottom design is great for a variety of stovetop types
- Naturally nonstick to use less oil
- Oven safe up to 1200F
- Induction compatible
- 21.5" Long with handle, 12.5" diameter, 3.75" depth
- Requires seasoning
- Recommend hand wash only
