

10" Seasoned Blue Carbon Steel Frying Pan

Model: COOK-10-FRYCN-S

Manufacturer: Made In

MSRP: \$109.00

- Experience the difference Carbon Steel makes on day one
- Preseasoned with a mixture of bass oil, coconut oil and sunflower oil
- Combines heat retention of cast iron with control of stainless clad
- Carbon steel is stamped into a thin disc that is half the weight of cast iron but just as durable
- Responds quicker than cast iron and rugged enough for the grill or open flame
- Sloping walls and wide surface for maximum high heat searing
- 2" Depth and 7.5" Diameter
- Overall dimensions: 19"L x 10.25"D x 4.5"H
- Hand wash only
