

Personal Wave Pro Spatula Device, Blush

Model: 7002-BLUSH-NA

Manufacturer: PMD Beauty

MSRP: \$129.00

- The Wave Pro is an advanced skin spatula with SonicGlow technology
- Helps to minimize the appearance of enlarged pores and blackheads
- Reduce oil congestion and deepen absorption of skincare products
- Extract mode uses negative ions that lift debris, dead skin and sebum out of pores
- Infuse mode uses positive ions to more easily absorb skincare into skin
- Life mode uses EMS for a more toned and youthful appearance
- Includes USB charging cord (adapter NOT included)
- Dimensions: 1.97"L x 7.17"H
