

# Chambord 8 Cup French Press Coffeemaker, Copper

**Model:** 11652-18

**Manufacturer:** Bodum

**MSRP:** \$50.00

- Chambord is the iconic French press maker that brings out full flavor and aroma
- Carafe made of non-stain, heat resistant borosilicate glass that doesn't alter natural flavor
- Stainless steel plunger prevents grounds from escaping when coffee poured
- More environmentally friendly - no paper filters or plastic capsules
- Polypropylene handle offers a comfortable grip while pouring
- Recommend hand wash only
