

2pc Blue Carbon Steel Seasoned Fry Pan Set

Model: KIT-2-FRY-CARBON-S-P

Manufacturer: Made In

MSRP: \$238.00

- Experience the difference Carbon Steel makes on day one
- Preseasoned with a mixture of bassu oil, coconut oil and sunflower oil
- Combines heat retention of cast iron with control of stainless clad
- Carbon steel is stamped into a thin disc that is half the weight of cast iron but just as durable
- Responds quicker than cast iron and rugged enough for the grill or open flame
- Sloping walls and wide surface for maximum high heat searing
- Induction compatible
- Recommend hand wash only
- Includes: 10" Fry pan
- 12" Fry pan
