

Touchscreen Clothing Iron

Model: 13103

Manufacturer: CHI

MSRP: \$179.99

- Titanium-infused ceramic soleplates are durable to multiple uses
- The plates withstand scratches, heat up quickly, and provide an extra smooth glide
- Touchscreen control helps eliminate guesswork if the temperature is right for the fabric
- Simply swipe the selections on the screen for ironing by fabric, temperature, or care tag
- 400 Steam holes can smooth out the toughest of wrinkles with little effort
- Large water fill access opening allows the user to add water quickly without spills
- Handle has a texturized grip for control and comfort
